OSAKA BLAZES UNDER BLASTS OF SUPERFORTS

HEAVY WEATHER BREAKS UP FORMATIONS OF BIG BOMBERS

Instruments Are Used To Batter War Plants and Starts Fires In Factories

MAY WIPE OUT CITY

By LEIF ERICKSON

Guam, June 15—(P)—A force of 520 superforts fought weather—so thick it broke up their formations—halfway to Japan and back again today to unload 3,000 tons of incendiaries in what they hoped would be a knockout blow to Osaka, Japan's greatest industrial city, and neighboring Nagasaki. Bombardiers released their incendiaries by instruments. Clouds were so thick they blotted out any view of the targets and resulting fires, which Tokyo admitted were started at "a number of points."

The weather was typical of what can be expected for the next several weeks in raids on Nippon. It was so thick the fliers couldn't keep formations of more than two planes," said Capt. Charles B. Miller, of Richmond, Va.

The raid which Maj. Gen. Curtis E. Le May said may have finished off Osaka's warping potentialities, was acknowledged by Tokyo to have lasted at least an hour.

The first enemy reports also omitted the usual quick claims of B-29s shot down. A later broadcast said the many fires were "in the process of being extinguished."

Farmers Rap Stubborn OPA At Meeting

State College, June 15—(P)—Raising of price ceilings on farm products "so that farmers will receive the increased costs which have been placed upon them during the past four years" is asked in a resolution adopted by the Pennsylvania Association of Co-operative organizations.

"Willful and stubborn refusal" of the Office of Price Administration to change ceilings, the resolution said, "has caused farmers to change their types of operations and has resulted in black markets."

The resolution urged congress to refuse to re-enact the price control law unless the OPA "is required to immediately raise the ceilings on farm products."

Congress was also asked to limit price control to the year of 1945, and to require OPA to report to congress twice monthly "the steps which it has taken to assure the cost of production to farmers."

10-YEAR-OLD PARLIAMENT NOW ENDED

Country Will Be Without Law-Making Body Until After Election In July

WINNIE CARRIES ON

By JAMES F. KING

London, June 15—(P)—Britain's unique wartime Parliament ended its 10-year tenure today and Virginia-born Lady Astor closed her 25-year career in Commons.

The first woman member of Parliament did not seek re-election, but her son Lt. William Waldorf Astor will continue the family name in Commons.

Proroguing Parliament, King George said his people's sacrifice "will not have been in vain if they lead to the establishment of a new world order based on justice and respect for human rights and equipped to crush any future attempt to disturb the peace of the world."

Britain will be without a Parliament until the results of the election are announced some time after July 25. In the interim the country will be governed by Prime Minister Churchill's "caretaker" (Turn to Page Two)

SIXTEEN DIE IN WRECK OF FAST PENNSYLVANIA TRAIN

Speeding Passenger Plows Into a Freight Car Near Milton Early Today

TWENTY-TWO INJURED

Williamsport, June 15—(P)—At least 16 persons were killed and 22 injured early today when the 34th car of a freight train jumped the tracks and fell on adjoining tracks ahead of an on-rushing Washington-Buffalo passenger train, Pennsylvania Railroad officials said.

More than 200 persons were shaken up then the locomotive and the first six cars of the passenger train were derailed at Milton. Many of the passengers were trapped in the wreckage, where they remained until freed by railroad crews. Officials said 21 cars of the freight also left the track.

Acetylene torches were being used to cut into the passenger coaches and extricate bodies. Officials said "it would be at least several hours" before all the dead were released and "maybe longer before they are identified."

The railroad's publicity office at Philadelphia announced the identified dead as follows:

Mrs. Francis Cheslock, 1312 Hemlock St., Shamokin, Pa. R. C. Stratton, engineer, 1414 Market St., Camp Hill, Pa.; N. E. Graeff, fireman, Harrisburg, Pa.

The wreck occurred shortly after 1 a. m. Officials said the freight train had stopped at Milton a few minutes earlier and was moving at a low rate of speed while the passenger train's speed was estimated at its usual running rate—55 miles an hour.

Pfc. Lester Calvert, en route to Buffalo, said the crash "was louder than anything I heard on European battlefronts." He retrieved a duffel bag containing \$3,700 in war bonds and left the scene before other details were obtained.

Ambulances were dispatched from three neighboring towns and (Turn to Page Thirteen)

E-BOND SALES IN STATE ARE LAGGING

Washington, June 15—(P)—Ted R. Gamble, director of the treasury's war finance division, reported today that E-Bond sales in the 7th War Loan are about 10 per cent behind schedule.

Gamble appealed to all war finance committees to step up E-Bond sales activity, and to report the prospect of wiping out what he described as the "small deficit."

Transport Plane Explodes; 17 Die

Vicksburg, Miss., June 15. (P)—Seventeen naval personnel, including two Waves, were killed and a navy lieutenant was seriously injured yesterday when a big transport plane exploded and crashed in a wooded area 16 miles northeast of here.

The bodies of the dead were taken to the Baldwin Funeral Home in Jackson, 40 miles east of here, under supervision of officers from the Jackson army air base.

Folding Up of Jap Defense Forces On the Island Forecast By 10th Army

MANY COMMIT SUICIDE

By ROBBIN COONS

Guam, June 15—(P)—Tenth Army forces strove for a quick knockout blow on the supreme command post of the Japanese defense on Okinawa today as signs pointed with increasing certainty to the folding up of the doomed garrison.

Doughboys of the 96th Division, supported by flame throwing tanks which seared Japanese cave fronts and hill positions, captured Yoeju Peak, the highest promontory in the Yaeju-Dake last ditch defense escarpment, nicknamed "big apple" by the Yanks.

The hill overlooks the plateau which was the enemy's principal defense ground on the southern line. The capture of the peak may breach as completely the last ditch defenses as the capture of Conical Hill opened up the defenses around Shuri.

Only the advance of the Seventh Division, moving in from the east flank to high ground on the left of "big apple," remains to set the stage for sweeping the enemy from the plateau and onto the slopes which lead toward the sea.

Japanese surrenders increased to the hundreds and advancing Americans counted the bodies of suicide raiders rather than surrender or retreat again.

Maj. Gen. Pedro Del Valle, commander of the Marine First Division which holds Kunishi Ridge on the right flank, pointed up the critical balance of the situation with the comment that the Japanese may be "crushed in two days—or two weeks. It all depends on how lucky we are."

HITLER'S ARCH CONSPIRATOR HAD POISON, BUT LACKED NERVE TO SWALLOW POTION

Arnold Promises Japan Bombs in Unheard of Force

By RICHARD O'MALLEY

Guam, June 15—(P)—The "complete and utter destruction" of Japan in air attacks that will reach the rate of 2,000,000 tons of bombs a year by July 1 was promised today by Gen. H. H. Arnold, commander of U. S. army air forces.

"If that is what Japan wants, by god, that is what she is going to get," Arnold solemnly vowed at an unusual press conference.

"It is going to be a terrible place to live in."

Giving immediate emphasis to his pledge, Arnold announced that while he was speaking, 520 Superfortresses were showering 3,000 tons of fire bombs on the great Osaka industrial region this morning. One year ago today, B-29s flew from China for their first raid on Japan.

Arnold's 2,000,000 tons a year forecasts 5,450 tons every day. The greatest single day's raid to date was a 4,500-ton onslaught on Tokyo May 24 by 550 Superfortresses.

"It is necessary to destroy the key cities, Tokyo, Nagoya, Yokohama, Kobe and Osaka," Arnold stated.

Maj. Gen. Curtis E. Le May, chief of the 21st Bomber Command, which Arnold is visiting here, said today's raid on Osaka—the fourth—may have ended the need for further incendiary treatment of that greatest of the enemy's industrial cities. The previous attacks had burned out about 15 square miles of Osaka.

Kobe, Yokohama and Kawasaki are "gone," and only a few targets remain in Nagoya, Le May declared, while previous raids have burned out 50 square miles of Tokyo, leaving only 10 square miles in which the American bombers are "interested."

"It is just a matter of time until we get everything of value in Japan," Le May said.

Pennsy R. R. Starts Works On New Shops

The H. Platt Company, of Erie has been awarded the contract for the erection of a new engine house and machine and repair shop on the site of the old round house in the yards of the Pennsylvania railroad here. The job is a big one and the great amount of activity on the local line of the Pennsylvania following the war demands that the engines located here be kept in repair and in the new shops much work can be done on the engines to keep them in good order.

The old round house will be razed and the work is now under way. The round house was erected in the late '70s and inquiry of Isaac Gates for years Master Mechanic on the Renova division brought the information that the round house was standing when he came (Turn to Page Thirteen)

Flag Day Observed With Fitting Ceremonies Thursday

Warren Lodge of Elks last evening observed Flag Day in a full ritualistic way with a large number of interested spectators seated on the spacious lawn of the clubhouse. The veranda of the club had been decorated with Stars and Stripes and preceding the program the massed hands of the Veterans of Foreign Wars and Struthers Wells Companies played a program that was inspiring and which won much applause of the crowd.

Exalted Ruler C. T. Berdine presided and a public address system was used so that the words of all speakers could be heard by the crowd. Hickory street had been roped off by the police.

Officers of the local lodge were seated on the veranda and the work was beautifully done. District Deputy Harold Baker gave an impressive message from the Grand Exalted Ruler and also one from President Harry Truman, who is a member of the B. P. O. E.

The history of the flag which is always a most inspiring and beautiful portion of the ceremony given by the Elks each year was done this year by Past Exalted Ruler H. J. Harvey, assisted by a group of Boy Scouts. The display of the

The same wine merchant was brought to British intelligence headquarters late yesterday and there pointed out his erstwhile friend. But identification was made even more certain.

By keeping the arrest secret over night, British sleuths who had tailed von Ribbentrop across much of western Germany managed to arrest his sister today in a tearful and hysterical scene she identified the foreign minister.

Ribbentrop first had been traced to an area of northern Germany near the Danish frontier, where he was known to have passed in disguise. The story, as released today, did not bare what had happened to him between the time he left Hamburg and the time he arrived in Berlin.

A special plane was promised today to fly correspondents to the secret interrogation camp where von Ribbentrop is being held, but correspondents will not be permitted to talk to him. Ribbentrop was expected to be taken to Luebeck airport today on the first leg of his journey to an English prison.

"I wanted to stay in hiding in Hamburg until British opinion was less hostile, and then intended to surrender for a fair trial which would spare my life," he was quoted.

Found on Ribbentrop were three letters, addressed respectively to Field Marshal Montgomery, British Foreign Secretary Anthony Eden and Prime Minister Winston Churchill.

Ribbentrop was aroused from his sleep and admitted his identity. Voluntarily he produced the container of suicide poison which had been strapped to his body.

He was described by his captors as "extremely passive and not a bit truculent."

British sleuths entered Ribbentrop's modest room at 9:30 a. m. yesterday. Forearmed with knowledge of Heinrich Himmler's suicide, their first aim was to prevent any similar attempt by the foreign minister.

But he apparently was in no mood for that great adventure. Ribbentrop's arrest was disclosed last night to war correspondents, but release of the story was held up over night, so that officers could be certain of taking his sister into custody.

Officers did not specify the nature of the poison von Ribbentrop carried in the metal container. However, it was believed to be the same which was used by Himmler. Himmler died in 20 minutes after taking the poison, but would have (Turn to Page Thirteen)

AGED MURDERER CRITICAL TODAY

Oil City, June 15—(A)—John Wencil, 73, accused of shooting his daughter and fatally wounding his granddaughter, remained in critical condition in Oil City hospital today from a bullet wound which state police said was self-inflicted. State Policeman Paul Winger said Wencil, who kept several loaded revolvers and rifles in his home, did the shooting after remonstrating against his daughter's "keeping company with young men."

The daughter, Medora Wencil, 25, shot in the back and the abdomen, was reported in good condition at the hospital.

administration, in which the Labor party has refused to be represented.

The united political front which Britain presented during the critical days of the European war when Churchill rallied this island for its historic stand now is broken. But the split is domestic and does not involve major foreign policy.

To demonstrate this Churchill has announced he has invited the Labor party lead, Clement Attlee, who was repute prime minister in the coalition, to attend the forthcoming "Big Three" meeting with him.

Churchill apparently made this move to insure that any decisions reached by himself, President Truman and Premier Stalin would hold in Britain whatever the result of the first national election in 10 years.

However, Harold Laski, chairman of the Labor party, made clear last night that Attlee's attendance would not necessarily bind the party to any "Big Three" decisions.

To the Republican Voters of Warren County:

Next Tuesday, June 19, is the day set for the nomination of candidates by the registered voters of all parties in Warren County. The Chairmen of each party want **YOU** to select the candidates **YOU WANT** on the party ticket for this fall's election.

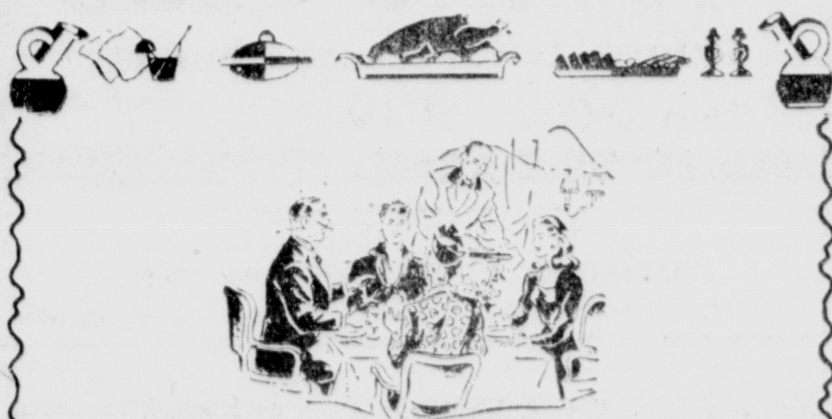

I urge you to express your choice at the polls as the first thing you do next Tuesday morning.

Due to travel difficulties and the fact that my job in defense work at the National Forge does not allow very much spare time, I have not been able to visit with as many voters in the County as I would have liked to, but you, too, are beset with the same restrictions, so I hope you will accept this message as a personal visit from me.

I am a candidate for the office of Register and Recorder mainly because I would like to have the job and feel that I can render the service you expect from that office. Your vote next Tuesday will be very much appreciated.

Respectfully yours,

THE STATE POLICE SAY:

Many motorists, when about to make a right or left turn, approach the intersection in such a manner that they tie up traffic and cause a traffic hazard. It should be remembered that a left turn must be made from left lane of that part of the highway which is to the right of the center line, excepting one-way streets when it is made from the extreme left of the highway. Right turns must be made from the extreme right. By approaching an intersection properly, and giving the proper hand signal, other users of the highway are not effected and may proceed without delay.

WASHINGTON—The dramatic story of the clandestine broadcasts by Supreme Court Justice Frank Murphy, beamed by OWI to Japanese-occupied Manila, can now be disclosed.

Murphy's shortwave messages of encouragement to Filipino guerrillas were transmitted all through the hills of the islands under the name of "Kiko." Kiko is tagalog for "Frank," the name by which the last governor-general and first high commissioner of the Philippines was known there. "Nowhere in the world, during this present war, have the people in any area put up a more valiant fight than did the Filipinos," Murphy declared in his first broadcast, March 24, 1943, the anniversary of the Tydings-McDuffie Act for Philippine independence.

NOVEMBER 15, 1943, the eighth anniversary of the establishment of the commonwealth, Murphy predicted: "I have a strong conviction if on the next fifteenth of November the Japanese are still in the Philippines, their days in the islands will be brief in number. . . . 'One day in the not far-distant future, you will see the American fleet—stars and stripes aloft—sailing proudly into Manila Bay. It will be final assurance that the story of the quest for Philippine independence did not end in the blasted tunnels of Corregidor.'"

That the Japanese were paying attention to these pronouncements was evident when radio Tokyo blared: "If Governor-General Murphy wanted to be frank, he would have said 'yes, the American fleet will come—dragged in for repairs, and only that part which has not been sunk!'"

The Japanese notwithstanding, Murphy was able to broadcast on the ninth anniversary of the commonwealth:

"Your Japanese slave masters sneered at those words and called them absurd and ridiculous. 'I wonder how absurd and ridiculous the Japanese High Command believes that statement to be today, now that units of the United States fleet have met, defeated, and routed a substantial portion of the Japanese fleet in Philippine waters.'"

ADMITTING there was "yet no cause for celebration or rejoicing," Murphy added, "but we can take just pride in the accomplishment thus far . . . of the military genius and fighting strength which is symbolized by the names Guadalcanal, Coral Sea, Hollandia, Morotai, Palau, and Tacloban." In his last broadcast to the Philippines, shortly before recapture of Manila, Murphy said: "The dead of Bataan did not die in vain. For they have stood through these dark days as bright beacons of hope, hope for the future when no Filipino need bow his head nor bend his knee but to his God."

YOUNGSVILLE NEWS

Youngsville, June 14—A fine attendance and much interest is being shown in the Youngsville vacation Bible school which opened June 11th and will continue through Friday, June 22nd in the Methodist church. All Youngsville churches have been uniting in the school. Sessions opened at 9:30 each morning of the week days except Saturday. Rev. Dwight Jack, Methodist pastor, is the dean. Rev. J. L. Strong, U. E. pastor, is assistant dean and also teaches the shop work which is being carried on in the school industrial building, opened during the school vacation time for the boys' work in the craft work. Miss Mary Caldwell is the junior assistant of the dean. Frank Hen-

drickson, superintendent of the Free Methodist church school, is secretary and treasurer of the school. Faculty members represent all of the Youngsville churches. There is a large group of tots of pre-day school age in the Beginners Department. Teachers in this department are Mrs. Ronald Bard, Mrs. Stanley Desher, Mrs. Marie Brown and Miss Mary Carr. In the Primary Department are Mrs. Freeborough, Mrs. Elton Barton and Miss Lillian Nelson. Mrs. Gilbert Sanford has charge of the junior girls. The intermediate circle teachers are Mrs. V. D. Smith, Mrs. Raybond Barlett and Mrs. Dora Johnson. The junior boys have for teachers Mrs. Warren Jones and Mrs. Kenneth Hannold. Rev. G. G. Burke, pastor of the Free Methodist church, is the teacher of the

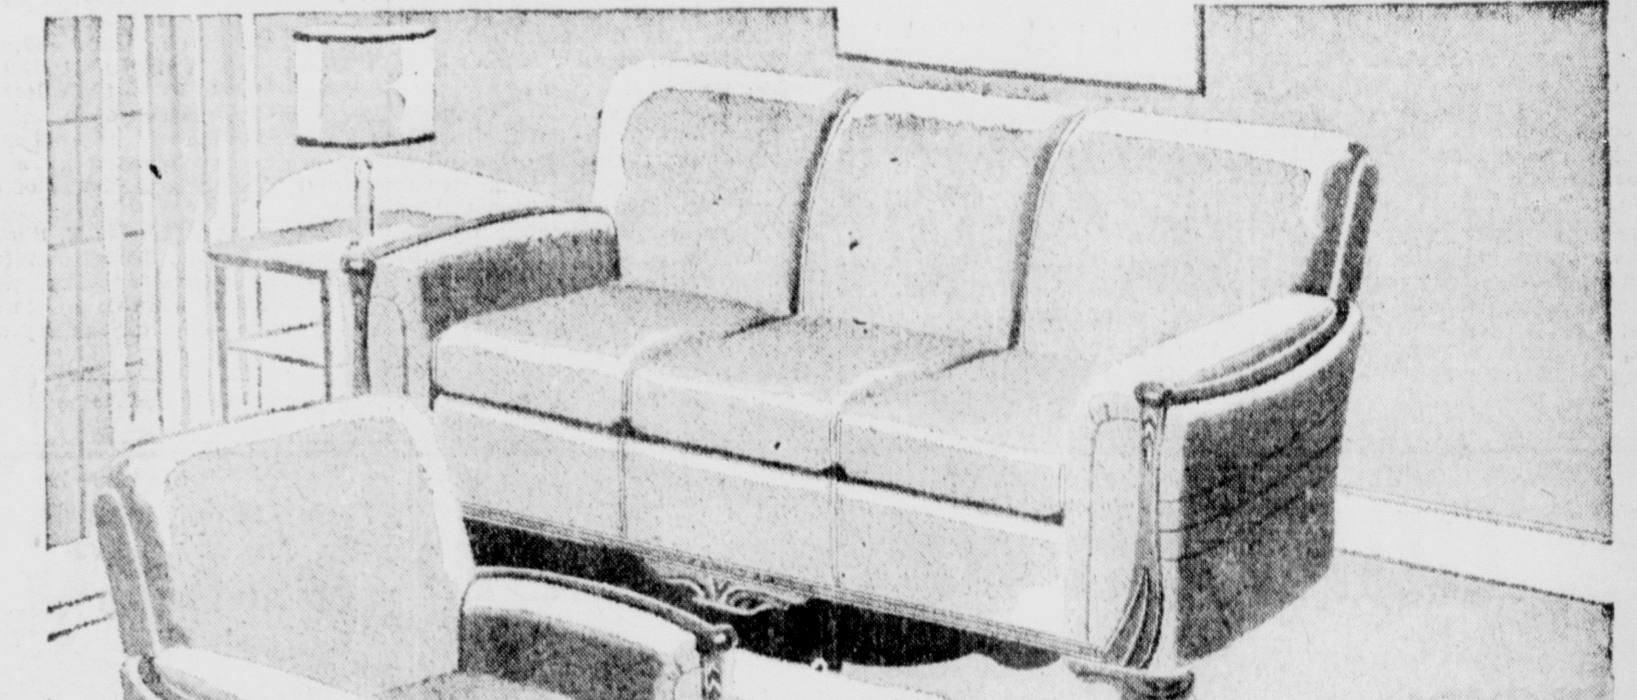

intermediate boys. Each morning the school assemblies in the sanctuary for a devotional period. Stewart Smith is the pianist for vacation Bible school. One hundred and thirty pupils are now enrolled. In addition to the Bible work, each group has some form of handicraft. This work will be shown at the closing evening of the school, Friday, June 22nd, at which time an interesting program will be given by the pupils of the vacation Bible school to which parents, friends and anyone who desires to do so are invited. The picnic on Island Park for the vacation Bible school is planned for the afternoon of Friday, June 22nd.

AMERICAN LEGION AUXILIARY MEETS

The Woman's Auxiliary of the American Legion met Tuesday afternoon with Mrs. Madeline Murray on Mathews Run for a delicious co-operative chicken dinner with all the usual fixings. There was an excellent attendance. Reports were given of the poppy sale of Memorial Day which netted about two hundred dollars. Sixty dollars of this was paid to veterans in the hospitals for the poppies. Reports were also made of the generous response Youngsville and vicinity business people are making to advertise in the Youngsville service men's books which will be off the press and ready for sale late in the summer. All money made from this project will be donated by the Auxiliary to the proposed Legion and Auxiliary home. Delegates elected to go to the inter-county council at Kane on June 30th were Mesdames Mildred

Daughters of American Revolution
End Season With Flag Day Installation

General Joseph Warren Chapter, National Society, Daughters of the American Revolution, held its final meeting in conjunction with a very largely attended luncheon and Flag Day observance at the YWCA activities building on Thursday.

The long table was set with early summer flowers, red, white and blue candles, grouped small flags and place cards bearing the organization's insignia. The invocation was given by the chapter chaplain, Mrs. A. F. Kottcamp. At the conclusion of the service, a welcome was extended by the regent, Mrs. Leon Laskaris. Besides many local guests, she greeted Mrs. Leon Ensworth, member of Old York Road Chapter at Philadelphia.

Mrs. Laskaris presided for the meeting which followed in the parlors, Mrs. Kottcamp reading a Flag Day prayer and all uniting in the flag salute. The Star Spangled Banner and the American's Creed.

Business included reading of minutes by Mrs. W. G. Cable; the financial report by Mrs. Ray Pickett; Flag Day greetings from a hospitalized member, Mrs. Jessie Swain Gilling; announcement by Mrs. O. H. Baird of a rummage sale in September, and by Mrs. W. R. Carlin of a card party at the YW on July 6, reservations to be made with Mrs. C. P. DeLong; Mrs. F. E. Redding or Mrs. Carlin.

Winner of the DAR Good Citizenship Medal, Frances Blair, was presented with a certificate, and recipient of the chapter's American History Award, Marilyn Emery, was given a gift. A gift was also presented to Nancy Wickstrom, "daughter of a Daughter," and past regent, Mrs. A. H. Wickstrom. Mrs. Wickstrom and mothers of the award winners, Mrs. Frances Blair and Mrs. Maurice Emery, were introduced.

For the Flag Day observance, Mrs. Carlin presented Mrs. Wilson Waters, who gave a history of

the flag and several readings in verse an a prose, and Viola Lindmark, contralto, who sang "Your Flag and Mine" and "God Bless Our Land".

Mrs. Carlin and Mrs. Kottcamp conducted an impressive flower and candlelighting memorial for two deceased members, Mrs. Olive Canfield and Mrs. A. N. McCausland.

Annual reports were then heard from the following chairmen and officers: Americanism, Mrs. Clarence Ricker, given by Miss Shawkey; approved schools, Mrs. Harry Granquist; conservation, Mrs. Gilbert Buerkle; national defense, Mrs. Gilbert Buerkle; program, Mrs. Carlin; membership, Mrs. Baird; recording secretary, Mrs. Cable; corresponding secretary, Mrs. P. W. M. Pressel; registrar, Laura DeForest; historian, Mrs. F. A. Lesser; librarian, Mrs. F. A. Schuler; treasurer, Mrs. Pickett; auditors, Inez Brownell and Mrs. F. P. Kirwin; regent, Mrs. Laskaris.

Mrs. Kirwin, a former chaplain of the group, conducted the installation of the following officers for next season: Regent, Mrs. Baird; second vice regent, Mrs. Cable; chaplain, Mrs. Kottcamp; recording secretary, Mrs. C. L. Thompson; corresponding secretary, Mrs. Pressel; treasurer, Mrs. Pickett; assistant, Mrs. R. L. Mead; registrar, Miss DeForest; assistant, Miss Brownell; historian, Mrs. Lesser; librarian, Mrs. Ricker;

I Stand on My Record

I am a Candidate for re-election to the office of Councilman from the Eighth Ward.

Due to the general shortage of manpower and help in my business, I am unable to see each of the voters, and therefore take this method of contacting them.

This has been an era of high taxes—BUT NOT IN WARREN—the Borough Millage is still 16.

The voters should know what has been accomplished with this low tax. Since the millage has been fixed at 16 mills, among other things, the Council has nearly completed the addition to the sewer system at a cost of \$136,500, over and above the Federal assistance, has built a new Borough Building and has reduced the bonded indebtedness from \$290,500 to \$79,000, with sufficient funds on hand to cover the remaining bonds.

Since 1940 I have been Chairman of the New Projects Committee which has supervised much of this work.

I do not come unknown to the voters. My family has been in business in the Borough since 1865, and in the Eighth Ward Since 1889.

I have taken part in the activities of our Town, and have given my time and contributions.

I have contributed my share toward the War. I am beyond Military age, but my son is in the Navy.

I have improved an unproductive farm to a condition where it is now producing a large amount of both animal and vegetable food products.

I pledge, that if elected, I will work for low taxes, careful management and careful expenditures.

I urge all voters to attend the Primaries June 19th, and I respectfully solicit their votes.

Respectfully submitted,

DELBERT W. LEWIS

U. S. Engineer Coming Here Next Tuesday

In response to requests of a special committee of the Warren Chamber of Commerce a United States engineer will come to Warren Tuesday to inspect sites for a proposed Veterans Administration Hospital. The special committee has twice visited Washington and has submitted home most excellent reports in behalf of Warren's request that a hospital be erected here.

Announcement was made some time ago that the big medical hospital to be built in Western Pennsylvania by the Veterans would be erected at Pittsburgh on lands adjacent to the University of Pittsburgh. Use of Camp Reynolds as a psychiatric hospital has been suggested, but inasmuch as most of the buildings there are only temporary structures and would have to be rebuilt in toto there is hope that this hospital may be located on one of the cities here to be suggested.

The committee will meet with the visitor and endeavor to "sell" Warren as a location for the big hospital which would require a larger site than the medical hospital.

Merchants To Enjoy Picnic Wednesday

Warren merchants have completed details for their annual picnic and outing to be held at Oakview Park next Wednesday afternoon and evening.

One of the features will be an teams of the National Forge and Struthers-Wells, beginning at five o'clock.

The chicken dinner will be served at 6:30 o'clock and the speed with which tickets for the event are being taken indicates a turnout that will break last year's record.

To Recuperate After Exciting Experience

Harry Klacamp, seaman first class, son of Mrs. Bessie Klacamp, Warren RD 1, was one of the heroes aboard "Big Ben", the now famous carrier USS Franklin, whose miraculous survival of an aerial bombing in the Pacific has become one of the most dramatic sea stories of the war.

Now that she is safely back in New York harbor for repairs, the Navy Department permits disclosure of many facts heretofore not told.

Klacamp was aboard the Franklin as she operated 60 miles off Japan with a fast carrier task force on the morning of March 19. Many of her planes were on deck, loaded with bombs, rockets and machinegun ammunition, preparing to take off.

It was at this, her most vulnerable moment, that a Jap dive bomber streaked down out of the clouds and released two 500-pound bombs. Within a minute the bombs had started a train of fires and explosions which for hours seared and shattered the carrier's frame. Resulting fires were fed by thousands of gallons of aviation gasoline.

In this dark hour, when it seemed the Franklin must be abandoned, her crew wrote one of the brightest chapters in the long story of naval heroism at sea. With 341 shipmates killed, 431 missing, and 300 wounded, those who were left fought the fires, patched up the damage and brought the 27,000-ton ship 12,000 miles back home.

W/O Wilcox Continues His Care of B-17s

Checking cylinders of 1200 horsepower engines of Eighth Air Force B-17 Flying Fortresses at a bomber station in England is one of the regular tasks of Warrant Officer (jg) Clair B. Wilcox, 36, of Youngstown, engineering officer and technical inspector with the 490th Bomb Group, even though the war in Germany has ended.

Regular inspections of all planes on the field are made by W/O Wilcox, who is one of the men responsible for the repair and maintenance of the bombers which kept up a ton-a-minute bombing of the Reich for over a year, causing Field Marshal Kesselring to blame the aerial offensive for the final capitulation of the Nazis.

A veteran of the early Pacific fighting, where, from bases in the Philippines and Australia, he flew as engineer and gunner on 18 missions against the Japs, Wilcox returned to the United States as a technical sergeant, air inspector. His appointment to warrant officer came in March, 1943, after he had taken an inspectors' course at Lowry Field, Colo.

The son of Mrs. Flora Wilcox, Youngstown, he enlisted in the AAF in November, 1934. Before his enlistment, he was employed as an automotive mechanic at Westmont's Garage in Ludlow. Warrant Officer Wilcox is the holder of the Air Medal for meritorious achievement while bombing Japanese airfields and shipping in the Pacific.

ODE TO ALLEGHENY VALLEY

There's a river in our Valley—
In that valley 'tween the hills—
Where the melodies of nature
May be heard with all their thrills.

There's a wealth of shade and shadow—
Thrust from crag and stately pine
As the mighty orb of glory
Sweeps across its silvery line.

There the furrow yields its increase—
Anvils ring—and hearth-fires glow—
And all hearts are true and friendly—
Tuned to sharing weal and woe.

As the river of our Valley
Flows to sea to get its rest—
Thence, again, to make the journey—
Pausing only—as our guest.

YOU ARE WELCOME IN ANY OF WARREN'S MANY CHURCHES NEXT SUNDAY

Church Notes

The First Lutheran church will have a Children's Day program at 10:30 a. m. Sunday, when the following will take part: Fred Sharp, Glen Stokes, Frank Ashbaugh, Melvin Peterson and Frank Smith. At this time there will also be the Sacrament of Holy Baptism for children.

The pastor's church membership class of young people will be received into full membership at Grace Methodist church Sunday morning. The young people will take part in the service. Barbara Anderson will give the catechism. Personal affirmations of faith will be made by Wayne Ellis, Barbara Evan, Josephine Garber, Francis Griffin, Mary Hutchings and Jane McDonald. The pastor will speak on the theme "How to Succeed in the Christian Life." The choir under the direction of Mrs. Edwin Jack will sing "Souls of the Righteous" by Noble, Miss Marian Campbell will sing "Verily I Say unto You" by Gillette. At the organ Miss Linnea Scott will play "Pastorale in F Major" by Bach and "March Solennelle" by Mailly. Miss Scott and Mrs. Dwight Stille will play "The Heavens Are Telling" by Hayden as an organ and piano duet.

For the next few Sundays, Rev. Harold C. Warren will preach a series of sermons on "The Book of the Revelation." This being a request from members of the congregation, it will be followed by other series on "Great Characters of the Old Testament" and "Great Characters of the New Testament." The pastor requests that members of the con-

gregation read the Book of Revelation during the coming weeks.

"Saviour Among Sinners" is the topic on which Pastor Hans Pearson will preach at 9:30 a. m. Sunday in Bethany Lutheran church at Sheffield. There will be no Swedish service in the evening, he advises, since the board of administration voted at its last meeting to limit Swedish services to one each month. Services in this parish for the coming week include the Young Women's Missionary Society at 8 p. m. Tuesday and the Ladies' Aid at 2:30 p. m. Thursday. On the last Sunday of the month, June 24, Holy Communion will be celebrated, this service to start at 9 a. m. instead of 9:30.

At the 11 o'clock service in Moriah Lutheran parish in Ludlow on Sunday, a class of five boys and five girls will be confirmed. Events of the coming week include a recital by Miss Josephine Benson's pupils in the church at 8 p. m. Monday; Lutheran Circle at 8 p. m. Wednesday. Holy Communion will be celebrated on Sunday, June 24, the first communion of those newly confirmed.

During the 11 a. m. service at First Baptist church Sunday, Pastor Milton G. Perry will preach on the topic "Christianity Faces Its Supreme Test," and will administer baptism to infants.

The topic for the sermon at the Sunday morning worship at St. Paul's Lutheran church will be "The Friend of Sinners." At

10:00 a. m.—Sunday school.
11:00 a. m.—7:30 p. m.—Preaching.
Wednesday, 7:30 p. m.—Midweek service.

At the evening worship Rev. Nore Gustafson will speak on "The Relation between Faith and Work." This will be the last Sunday evening service for the summer. The congregation will join in the summer program of community Sunday evening services at the Beatty school auditorium.

Rev. Harold C. Warren will use as his sermon topic for this Sunday at First Presbyterian church "The Christian Challenge According to Luke." For the prelude Jackson Barrell will play "In the Cathedral" by Zimmerman and for the offertory "Andante" C minor Sonata by Rheinberger. A quartet will sing "Seek Ye the Lord" by Roberts.

"The Purpose and Power of Prayer" is the theme of Rev. J. C. Wygant's sermon in First Evangelical church Sunday morning. Next Wednesday evening at 7:30, the district superintendent, Dr. C. E. Servey, of Franklin, will speak at the midweek service, followed by the quarterly conference at 8:00.

Chaplain's Column

The following thought-provoking paragraphs, under that caption, are taken from the Sunday, May 27, issue of the T-Patch, 36th Division News, printed in Germany:

"Do good! Don't become tired of doing good! Take every chance you get to do good. Do good to everyone, but especially to those who are fellow-believers."

It is not narrow or unkind to have an extra measure of love for those who stand with us as true followers of Christ. We need to be reminded that they have a right to our love and friendship. Do you know a lonely Christian? Do good to him.

We often say unkind things to those dearest to us, even to our own family, that we would not have thought of saying to others. We take those nearest us for granted too often and treat those better who deserve it less.

Jesus did good and crowds followed Him. He is still harvesting rewards because He did and does so much good. Happiness, peace and true prosperity come from doing good.

Gen. Douglas MacArthur has won more American decorations than ever were given to any other Army officer and also has medals from 10 foreign governments.

G. G. Greene Co. Starts Work On Large Addition

Ludwig Peterson, contractor, started work this morning on a large addition to the G. G. Greene Company's plant on Pennsylvania avenue, near the Penelec station. The new addition will be similar in construction to the plant already in operation and will be 100 x 110 feet in size and one story in height. Work will be rushed forward with all possible speed. The building will house a new heat treat plant.

The Penwood Company, a Green subsidiary, located in the Warren Wholesale Company, purchased

some time ago, is now setting machinery and other equipment for the manufacture of educational toys of wood. The plant is being set up for the Warren firm by a large toy manufacturing company of Detroit, Mich., which will assist in an advisory capacity in arranging the plant and arranging its products. A complete line of educational toys for children will be made.

There are 70,000 dentists in the U. S. A., of whom 22,000 are in the armed services.

Obituary

PETER A. FRODELUS

Peter A. Frodelus, aged 91 years and a lifelong resident of the vicinity of Sugar Grove, died suddenly at 1:30 p. m. Thursday at the home of his son-in-law and daughter, Mr. and Mrs. Nathan Whitford, Sugar Grove-Warren road. Mr. Frodelus had worked as mason and farmer until his retirement a few years ago. He was one of the oldest residents of that vicinity.

Besides his daughter, he leaves two grandsons, Walden O. Donelson, with the United States Army in Burma, and Bruce Frodelus, Dunkirk, N. Y.; also one great-grandson, Ronald B. Frodelus, Dunkirk; one sister, Mrs. Theodore Swanson, Jamestown, N. Y., and one brother, Ephraim Frodel-

us; Sugar Grove; a number of nieces and nephews.

Removal has been made to the Schoonover Funeral Home in Sugar Grove, where friends may call and from where services will be held at 2:30 p. m. Sunday. Interment will be made in the Cherry Hill cemetery at Sugar Grove.

MRS. GRACE DEVEREAUX

Mrs. Grace A. Devereaux died this morning at 12:29 at the home of her daughter, Mrs. Hugh C. Shaw, in Bradford, after a week's illness resulting from a heart attack.

She was born at McGraw Center, December 19, 1880, and spent most her life in Tidoute and vicinity. She is survived by her husband, Harry J. Devereaux, of Bradford; one daughter, Mrs. Hugh C. Shaw, of Bradford, and one son, Richard Charles Devereaux, of East Rochester, N. Y. Four grandsons, Hugh C. Sraw, Jr., and James D. Shaw, of Bradford; Richard C. Devereaux, and Thomas M. Devereaux, of East Rochester. Two brothers, Chester Sampson, of North Warren, and Howard Sampson, of Titusville, also survive with two sisters, Mrs. Harold Russell, of Erie, and Mrs. C. W. Hendrickson, 202 Canastota, N. Y.

The body was removed to the Healy Funeral Home, where it will remain until Saturday noon when it will be taken to the home of F. A. Shaw, at Tidoute, where funeral services will be held at 1 o'clock Sunday with interment in the Tidoute cemetery.

RELAXES REGULATIONS

Mr. Burtette, manager of the local Western Union, has announced that the Board of War Communications has relaxed its prohibition of telegrams in the United States of congratulations and felicitations and now permits such messages to be sent to or by members of the armed forces, either in the United States or its allies. This ruling includes Father's Day messages. Pre-war rates do not apply, however.

HAS GOOD RECORD

"Deb" Lewis, candidate for Council in the eighth ward in an advertisement today calls attention to the excellent record which he has made while a member of council. It is one of which any councilman may well be proud. The holding down of taxes, building of a new city hall, practically a new sewage system and getting the borough out of debt are

no mean accomplishments. As chairman of the new projects committee "Deb" has been largely instrumental in the formulation of plans for a large amount of this work. His pledge to the voters "I pledge, if elected, I will work for low taxes, careful man-

agement and careful expenditures" is one that none can lightly disregard.

Bellefonte Outfit Faces Forge At Wilder Field Sunday

Titusville Scores 4 to 2 Win At State; Freddie Gagliardi May Get First Call to Pitch

The Forgers' State Hospital was kept alive last night, with Titusville Merchants turning in a 4-2 victory over the Morrisonsmen to give the locals their fourth loss of the season, the second at North Warren.

A half dozen errors accounted for the local loss last night, with hits even at five apiece, but lots of credit should be given Titusville hurler Mike Rooker for an excellent performance.

A two-run spurge in the first inning also kept the record for opponents scoring early alive. Butcher walked and raced home when third sacker Hawk connected with a driving triple, scoring on a series of bad relays on the Forgers' part.

The Irvineites came back strong in their half of the first, but succeeded in scoring only one run. Manager Emmett Morrison walked, and scored on Harry Rosequist's three-sacker into left field.

Both teams went three up and three down in the second frame, but Titusville came through again in the third to send their third and fourth tallies home. Two hits by the Merchants and two errors by the Forge were responsible for the winning runs of the game.

Not until the sixth were any additional scoring threats made, with the NFOs sending their second score home after Dick Geigerich walked, went to third on a wild pitch and scored on a long outfield popout by Nick Creola.

In the eighth and ninth frames, the Forgers were caught stranded in both innings with two runners left on base.

"YES MAN"

My name is Dorothy Baker. I'm the "Yes Man" at Personal Finance Co. . . . that is—I'm the one who likes to say "Yes" to requests for Personal loans.

You see—I'm the manager of our office—the one who's responsible for building up our business. The more times I say "yes" to requests for loans—the more business we do. And since making Personal Loans of \$25 to \$250 or more is our ONLY business—that's mighty important to me.

Therefore, if you need extra cash at any time—whether a little for a short time or a lot for a long time—you can depend on my doing my best to say "yes" to you.

Next time you can use a loan give me a chance to say "Yes"—won't you? I'll consider it a favor. See me at Personal Finance Co., 216 Liberty St., second floor, over Lester Shoe Store. Phone 285.

Old Saratoga Again Takes Its Place in Front Battle Line

By POPE HALEY

Washington, June 15—(AP)—The Navy disclosed today that the famous old aircraft carrier Saratoga had sustained tremendous damage in the early stages of the battle for Iwo Jima.

But, it was stated triumphantly, she has now been fully repaired and is back in there, pitching again.

Seven direct bomb hits, including some by suicide planes, struck the carrier, causing 315 casualties. The casualties included 123 killed, missing or dead of wounds, and 192 wounded.

The Saratoga's oldest surviving carrier, affectionately known to all hands as the "Sara", previously had twice suffered serious damage from torpedo attacks, but the Iwo Jima action marked the first time she ever had received crippling damage from the air.

The attack came on February 21, two days after Iwo Jima. Days as she was cruising with a task carrier group northwest of the island. Four days earlier her planes had joined in plastering Tokyo in the biggest carrier task force attack up to that time.

The Navy described the action against "Sara" as "one of the most concentrated attacks in which a carrier has survived, which might have sunk any other ship." A record-breaking repair job at the Puget Sound navy yard, however, has already returned the huge flat-top to the fighting line.

"The Saratoga," said the yard's hull superintendent, "was the most extensively damaged vessel of the fleet under control, and she received more varied type of damage all at once than any ship we've seen since Pearl Harbor."

to Warren in 1881. It housed six engines and some years ago a portion of it was taken as a machine shop.

Some discussion had been indulged in by the railroad some years ago for the locating of the new round house and shop at Starbuck near the coal station there. No action was taken in the matter however.

The new addition to the railroad facilities here is expected to cost approximately \$80,000 and it will be modern in all ways, facilities and equipment.

Work will be rushed with all speed on the new structure and it is expected to be ready for use this coming fall.

The improvement is in line with the plans of the company to put the Renova division in first class shape. Plans for improving the trackage are also under discussion and number of curves will be straightened in order to handle the heavier motive equipment on the line.

Police Hunt Escaped Nazi War Prisoners

Local and state police yesterday afternoon and night put in some intensive work in a hunt for two Nazi war prisoners who escaped from the prisoner of war camp at Duhring, Captain Hugh Bass in a report over the state police teletype sent out yesterday had the following information to give out:

The two prisoners, Erick Poviny, 18, and Anton Binder, 18, were last seen this morning working outside the stockade at the camp. State police were notified when a rapid check of the area revealed no trace of the prisoners.

Description of the prisoners was being issued on the State Police teletype and all agencies in the area notified.

The men are described as follows: both hatless one wearing OD pants with "PW" painted on them and the other blue denims with the "PW" insignia.

Poviny is described as follows: 5 feet six inches tall, blue eyes, light complexion, freckled and light brown hair.

Binder: five feet, seven inches tall, blue eyes, wears glasses, fair complexion, brown hair.

One hundred and fourteen Liberty ships have been named after women.

NO POINTS ON EGGS

Reports were current in the city yesterday that eggs had been placed on the ration list and there was a rush in an endeavor to get a supply of the hen fruit. There is absolutely no truth to the report but egg purchasers will do well to recall that there is a ceiling on eggs and certain weights are assigned to each class of eggs under the ceiling.

GARDEN HINTS

Stand Up and Take It Easy In Cultivating Garden

The easier you take the job of cultivating, the better it is for your plants. A lazy gardener will never wait until the weeds grow big enough to get it is so much easier to kill them in the sprout stage, by stirring the soil before they come to the surface.

This stirring should be done with a delicate touch; if you work hard at it, and dig deep, it will do more harm than good. Deep cultivating, which stirs the soil several inches deep, is definitely out for garden crops. Experiments have demonstrated that deeply stirred soil dries out faster, and that this form of cultivation, which is very hard work, is likely to disturb the roots of your vegetable plants, and do more harm than good.

The right way to cultivate is to keep far enough away from the vegetables, so that you do not even disturb the roots which lie close to the surface, for these are the oldest roots and continue to play an important part in nourishing the plant, even when it grows large. And cultivate just deep enough—an inch or so—to break the soil crust and uproot the tiny white sprouts of weeds, which are just beginning to grow.

In normal times you might choose your cultivators from a great variety; some gardeners used to have as many cultivators as a golfer has clubs. Nowadays, you use what you can get, and it is good to know that the old fashioned goose-neck hoe is a most satisfactory tool for all cultivating tasks. If you need a hand cultivator, to use in the vegetable row or in small corners where a big hoe cannot function, then a putty knife makes a good one, if you cannot get a better.

Hoeing Is Fine for Developing Correct Posture.

Cultivate after every rain, when the soil has dried out enough to crumble. Begin cultivating as soon as your crops appear above the surface, and there is no reason why a weed should ever grow in your garden which requires to be pulled by hand. Except of course in the vegetable row itself. Here, a few hours' work on your knees, pulling up the weeds, usually when you are thinning out the crop, will usually clean up the rows for the entire season.
